

The Whitlock

An Independent Living Community

Sweet life joys :: pies & piano

Pumpkin. Pecan. Cherry. Kentucky Derby. Chocolate Cream. Peanut Butter. November 30, Whitlock residents were treated to two events bringing in the holidays—homemade pie and a Piano Recital presented by Jeanette Whittaker and her piano students. What a great day!

We are thankful for each wonderful person who makes The Whitlock their home. The Board members enjoy visiting and look forward to these opportunities. Pie Day has become a November tradition by showing our appreciation for their loving spirit of life. What better way than pie? ~

Piano performances herald the season

The Christmas spirit came alive when six piano students and their teacher, Jeanette Whittaker, came to perform a piano recital. The children performed wonderful, seasonal music, delighting residents, families and friends.

Three sisters, (*above left to right*) Grace, Kate, and Elena Gramm, Madison Burch, Kara Springman, and Ashton Kucher played a variety of musical pieces, including *10,000 Reasons*, *Ode to Joy*, *Bells of St. Britain*, *Shenandoah*, *Over the Rainbow*, *Canon in D*, *As the Deer*. Ashton closed the program with a trumpet rendition of *O Holy Night*.

Jeanette teaches multi-generations including senior citizens. "It has been several years since I played at The Whitlock," she said. "I have enjoyed having students perform and I am pleased to return."

The Whittakers have two children in college and attend the First Baptist Church in Bremen.

You're all welcome back any time! ~

Whitlock Who's Who

Jackie Bahr
Community Representative, Board of Directors

Jackie joined the Board almost three years ago and is active with the Development and Scholarship committees. "I needed to get out of my comfortable little house and meet people in the community, so when Trevor (Mikel) contacted me out of the blue, I realized it was a much needed challenge for me."

She said it's been fun to work alongside other Board members doing things that benefit the Whitlock, such as the garage sale, dipping fish at the Fish Fries, plus sharing and eating pie! "I was surprised how little I knew about the Whitlock even though I have lived only a few blocks away all my life. Being with an older generation is exciting. I love laughing with them, listening to their life stories and bringing in entertainment they might appreciate."

Jackie is a registered nurse. After she received her nursing degree she packed her Dodge Charger and headed west, where she met Tim Bahr. They married and headed back east to Bremen. "We are blessed to have five children, who are now grown." Courtney and Kelly live in California; son, Matt and his wife Elise, along with their first grandbaby, Natalie, live in Louisville. Brooke is finishing dental hygiene school at IUSB and Mark is a sophomore at BHS. "Six months ago, I was asked to be an ultrasound tech at the Plymouth Women's Care Center and enjoy the opportunities there," she adds.

"Jackie's daughter, Brooke, and son, Mark, have entertained at the The Whitlock, with singing, guitar and piano music. "I like that we open up opportunities for our kids and others to share their talents. It has been a privilege and joy to be a board member."

December

"My idea of Christmas, whether old-fashioned or modern, is very simple: loving others. Come to think of it, why do we have to wait for Christmas to do that?" – Bob Hope
