The Whitlock

An Independent Living Community

Go Fishing on October 19th!

Mark your calendars. Dinner will be taken care of on Friday, October 19th. We cook, you just come pick it up between 4-7pm at **The Whitlock's 4th Annual drive-through Fish Fry.**

Tickets are \$9 each. **Volunteers will be selling tickets at Woodies on Friday, October 5th from 4 - 7 pm, and Saturday, October 6th from 8 - 11 am in the front entrance.** Tickets may also be purchased on the evening of Fish Fry. Veterans will eat free in honor of Veteran's Day (November 11). Donations toward the veterans' meals are accepted with gratefulness.

Everyone will have a choice of fish only (which serves 2-3) or a complete dinner, that includes baked beans, coleslaw, chips, roll, and a cookie. The fish will be provided by Tyner OddFellows #821.

The Whitlock is blessed with many volunteers, including staff, board members and friends working together to serve the food hot and fresh.

Net profit from the Fish Fry will be used to enhance the life-style and safety of the residents. The Whitlock is humbly thankful to the Bremen community for its support. ☪

Beautifying while learning

Continuing the tradition, Board member Chad Berger brings his Bremen High School agriculture students to work on landscaping projects at The Whitlock. The residents enjoy watching them work and seeing the results of their labor.

This year the class edged along the building landscape. While the students learn about plants, trees, types of soil, how deep to dig, how far apart to spread, calculate costs, and design landscapes, Whitlock residents and visitors are the lucky recipients of their education. ☪

This is the day that the Lord has made. Let us rejoice and be glad in it. Psalm 118:24

Whitlock Who's Who

Susan White

Treasurer, Board of Directors

Susan White lived in Bremen two years when she was invited to join the Whitlock Board in December 2016. She and her family relocated when her husband, Dr. Jim White, accepted the position as Superintendent of Bremen Public Schools in 2014.

“The Whitlock is so much more than just a place to live – it’s friends who feel like family,” said Susan. “The support from local businesses and the community is heartwarming. Whether providing a special meal, entertainment, or visits from preschool to high school children, the people in our community are thoughtful with time and resources.

“We have a great team dedicated to continuing past successes while looking toward the future and making improvements along the way. My hope is that we foster a caring and comfortable living environment where memories are made.”

Married 26 years, the couple has two daughters, Robyn (20) who is finishing her last year at Purdue Fort Wayne, with plans to attend graduate school, and Raven (15), who is a sophomore at Bremen enjoying track and gymnastics.

Susan is a corporate accounting manager at Zimmer Biomet in Warsaw, and holds a bachelor’s degree in business administration with an emphasis in accounting. A woman of varied and interesting

experiences, she said she had moved 24 times by the time she graduated high school, has flown an airplane, and one of her favorite jobs in her youth was working for a blind businessman and college professor. “One item on my bucket list is to someday, intentionally, jump out of an airplane and sky-dive.” Also, she claims to be a “software junkie” who loves learning new software and learning new tips in Excel (a spreadsheet software program).

“I love attending plays and musicals (community theatre or professional performances) – usually with my mother-in-law, Joann. I would like to travel more but time is limited with work, school activities, and other commitments. My goal for next year is to find more time to have fun and explore. We bought a jet ski recently and look forward to enjoying lots of family time at local lakes next summer.”

Whitlock Scholarship Offer

High school students take note. The Scholarship committee is offering its 4th Annual Whitlock \$500 Scholarship to be awarded next Spring. The application window will open from

November 1 until April 1, 2019. Funds to support the scholarship are donated specifically for the scholarship. Students may contact The Whitlock office for qualification information.
